Digital Mirror

The Digital Mirror shows every answer you gave, theme by theme. It does not compare you with others or diagnose anything; it shows where your answers cluster.

How to use

1. Look at the colours below: themes marked “Work on this” are the place for a first step.
2. Find each theme's table further down: it shows which of your answers pointed to it.
3. In “What helps”, pick one model and try it for a week.
