Prepared for **Lucija Test**

You recharge most through Wonder & beauty.

Your plan on one page. Put it where you will see it. The rest is in What your answers say and Weeks of change.

WHAT I DO

- [ ] **Last thing at night: three things I actually noticed today.**
- [ ] **When focus goes: forty seconds on something green, not on the phone.**

WHAT I AM

- [ ] **The charger sleeps in another room; the loudest app is off my first screen.**
- [ ] **The moments I know are coming have an if-then line before they arrive, and a line I break gets rewritten, not held against me.**

Worth watching with someone, if you like.

If two weeks in a row leave you worse rather than steadier, put this down and talk to a person. Nothing here is a test.

Expect drift, plan for return. A missed week is not defeat; it is a week — the practices stay where you left them, and the fridge page from Weeks of change, with your own lines on it, still knows the way back.

To see a World in a Grain of Sand
And a Heaven in a Wild Flower
